# Acrylic Nail Extensions

NLS-128

ONE WEEK

KIT INCLUDED

\$2,495

Acrylic nail extensions are the most common type of nail extension that almost everyone knows about! The acrylic nail is made out of a monomer liquid mixed with a polymer powder to form a paste that is glued onto your natural nail and tip. This paste hardens over time and can last a good 3 to 4 weeks.

Acrylic extensions are suitable for women with brittle and weak nails. Acrylic nails have been around longer than their counterparts, so, most nail technicians at salons and spas have a lot of experience about how to apply and remove these nails.
