# ADVANCED MAKEUP ARTISTRY

## TWO MONTH PROGRAM

Makeup artists are part artist, part miracle worker, enhancing the bone structure of their clients and creating an airbrushed look through contouring and highlighting. Contouring and highlighting the face flatters and disguises, complements and camouflages, emphasizing our best facial features while downplaying our less-than-favorite ones.

Today's highlighting and contouring techniques allow you to slim the nose, enhance the cheekbones, lift the eyes and sculpt the face with a stroke of the makeup brush.
